CANOE BUILDING SEMINARS WITH MASTER BOAT BUILDER DAVE NICHOLS OF ARROWHEAD BOATS

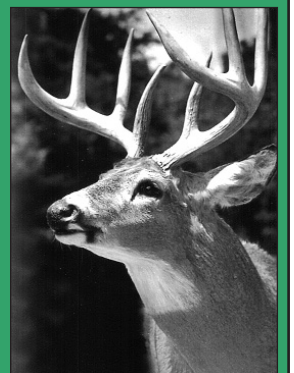

David has been designing and building boats for over fifteen years..... He has taught at WoodenBoat School in Brooklin, Maine for 7 years and teaches in the summer at Great Lakes Boat Building School in Cedarville, Michigan. When he isn't building or designing boats for other people you'll find him hunting and fishing out of the boats he's designed and built. Fishing for Pike on a fly rod is his particular passion.
