**Fire Regulations:** Gas caps must be taped or locked. The hot battery cable must be disconnected and the terminal must be taped. Check acceptance letter for gas requirements. Due to center's rules, **NO ENGINE FIRING DURING THE SHOW!**

**Photos** you do not have to send photos of your bike, however, we use the best photos in our television ads. (Just a note!) We need all photos by December 10. Thanks!

**Stanchions & Rope:** All entries should provide their own stanchions and rope or other form of decorative barrier to control crowds and to protect their entry.
